

A satellite-style map showing a coastal region with green, forested land and dark blue water. A large red circle is drawn around a portion of the map. A horizontal red line with arrows at both ends spans across the circle, indicating a distance. The text '25 MILES' is written in red above this line. Labels include 'Kruzof Island' in white text above the island, 'Sitka Sound' in white text oriented vertically in the water, and 'Sitka' in white text next to a blue circular marker on the right side of the map. A faint copyright notice '© 2018 Google' is visible in the lower-left corner.
